

Thank you for your order

Your DVD is an SD DVD that will play full screen 16 X 9 on your PLASMA, LCD or LED screen. If you play it on a traditional "Square" tv it will play back "Letterbox" with a black bar at the top and bottom of the screen. This is because we shoot in HD to give you the best quality possible.

Your DVD is duplicated from a master that is stored for future duplication. If you lose a DVD or your DVD becomes damaged or you just want to order more down the road you can contact us and we can have a new DVD to you usually within two days at the original cost +shipping.

If you have any questions or suggestions please don't hesitate to call me at 862-222-3687 or email me at ultanbyrne@aol.com
