TALENT MANAGER WORKSHOP

with Stephanie Artuso of
SGM Shirley Grant Management

Have you ever wondered or *dreamed* of what it would be like to audition for a NYC Talent agent but weren't sure where to start?

As a well-established school, Gotta Dance aims to support our students to reach their personal goals and help bring them one-step-closer to auditioning for and obtaining real performing arts roles! We recognize that it takes a rare combination of talent, dedication, excellent time-management, parental support, luck and determination to attain professional work.
